

MEMBERSHIP APPLICATION - 2009
FEARRINGTON SWIM AND CROQUET CLUB, INC.
 295 Fearington Post, Pittsboro, NC 27312

The Fearington Swim and Croquet Club is one of the largest and most active groups in the Village. From May through early October, active members may enjoy swimming and related activities that include water aerobics, horseshoes, shuffleboard and social events.

Please note that an active membership is required to participate in all pool programs and activities. However, if pool members choose not to use the pool for one season they may maintain an inactive membership for \$25.00. This would avoid payment of another initiation fee if they later wish to resume active membership. Except for the initiation fee, members moving into Fearington after July 15 (the midpoint of the season) need pay half the annual dues.

The schedule of fees, including annual dues and the one-time non-refundable initiation fee, is listed below for each membership category. Please complete the bottom half of this sheet and place it along with your check made out to the Fearington Swim and Croquet Club in the Swim and Croquet mailbox located at the Gathering Place Kiosk.
