

**FEARRINGTON SWIM & CROQUET CLUB, INC  
295 FEARRINGTON POST, PITTSBORO, NC 27312**

The Fearington Swim and Croquet Club is one of the Village's largest and most active groups. From May through September, active members may enjoy swimming and related activities including croquet, horseshoes, shuffleboard, a variety of exercise programs, many parties and much, much more.

The schedule of fees, including annual dues and a one time non-refundable initiation fee, is listed below for each category of membership.

Please note that an Active Membership is required to participate in any and all pool programs and activities which take place at the Swim & Croquet Club facilities. However, members choosing not to participate in pool programs or use the pool for a season, may maintain an inactive membership for \$25.00 per year, and thereby avoid payment of another initiation fee if they later wish to resume active membership. Except for initiation fees, members and renters moving out of Fearington before July 15<sup>th</sup> – the midpoint of the season – or moving into Fearington after that date need only pay half the annual dues.

The bottom half of this notice, completely filled out, may be deposited with a check at the Club Box located at the Gathering Place Mail Kiosk.
